

Department of Epidemiology, University of Washington

Master of Public Health (Epidemiology: Maternal and Child Health (MCH) Track)

Student Name: _____ Date: _____

63 Total Credits¹: _____; which must include 18 numerically-graded, graduate class credits _____.
 Minimum passing course grade 2.7. GPA required to graduate: 3.0.

All courses indicated by * must be taken for a numerical grade.

Course number/Activity	Course Name	Quarter	Credits	Complete
<u>Epi Course Requirements</u>				
EPI 512*	Epid Methods I	1 st Autumn	4	<input type="checkbox"/>
EPI 513*	Epid Methods II	1 st Winter	4	<input type="checkbox"/>
EPI 510	Epid Data Analysis	1 st Winter	3	<input type="checkbox"/>
<i>Prerequisite for EPI 514. May be waived if substantial SAS and STATA programming.</i>				
EPI 514*	Application of Epid Methods	1 st Spring	5	<input type="checkbox"/>
EPI 583	Epi Seminar (at least 3 quarters total)	Variable	3 (1 per quarter)	<input type="checkbox"/>
EPI 700	Thesis (max 18cr recommended, 9 minimum)	Variable	9-18 cr	<input type="checkbox"/>
EPI Elective Course(s)³	Min. 3cr total; each course 2cr or more <i>Must be Disease/Exposure or Methods Elective</i>	Variable	__cr	<input type="checkbox"/>

<u>Biostatistics Requirements²</u>				
<i>Complete either sequence:</i>				
BIOST 511*	Med Biometry I	1 st Autumn	4	<input type="checkbox"/>
BIOST 512*	Med Biometry II	1 st Winter	4	<input type="checkbox"/>
BIOST 513*	Med Biometry III	1 st Spring	4	<input type="checkbox"/>
<i>or two courses:</i>				
BIOST 517*	Applied Biostatistics I	1 st Autumn	4	<input type="checkbox"/>
BIOST 518*	Applied Biostatistics II	1 st Winter	4	<input type="checkbox"/>

<u>MPH-MCH Track Requirements</u>				
HSERV 510*	Soc&Beh Sci in Health Prgrm Planning	1 st Autumn	3	<input type="checkbox"/>
HSERV 511*	Intro Health Services & Pub Health	1 st or 2 nd Winter	3	<input type="checkbox"/>
<i>HUBIO 555 can sub for MD/MPH students</i>				
EPI 521*	Maternal and Child Health Problems	1 st Winter	4	<input type="checkbox"/>
EPI 592A	MCH Research Seminar Series	Aut, Spr	4	<input type="checkbox"/> <input type="checkbox"/>
	1 cr/qtr for 4 quarters	1 st 2 years		<input type="checkbox"/> <input type="checkbox"/>
EPI 595	Practicum	Variable	3-6 __	<input type="checkbox"/>
ENV H 511A*	Intro Envir/Occup Health	1 st or 2 nd Spring	4	<input type="checkbox"/>
<i>Or ENV H 510A*</i>	Global Envir/Occup Health	1 st or 2 nd Winter	4	<input type="checkbox"/>

<u>Non-Course Requirements</u> <i>(not including supplemental requirements for the practicum)</i>				
Submit Human Subjects Form	Before registering for EPI 700	Non-Credit		<input type="checkbox"/>
Submit Thesis Proposal	Before final quarter	Non-Credit		<input type="checkbox"/>
Human Subjects Approval (IRB)	Before beginning thesis research	Non-Credit		<input type="checkbox"/>
Submit Thesis	Final Quarter	Non-Credit		<input type="checkbox"/>

- Plan ahead to ensure that required courses, usually offered once a year, will be completed on time to graduate. Elective scheduling may change from year to year. *Some elective courses are offered every other year.*
- See Time Schedule at <http://www.washington.edu/students/timeschd/> for days/times of classes, whether an add code is required, and the add code contact. Courses with ">" before the 5 digit SLN number require an add code.
- Students may register for additional electives and EPI 600 Independent Study in order to have enough credits.
- Students intending to complete a PhD in this department are advised to earn a 3.7 or higher in EPI 512-513, and prepare for the Doctoral Preliminary Examination in June. Consult with your faculty advisor regarding whether to take electives during the first year.
- To request waiver of a required course, use the appropriate form on the [Epi Students](#) Canvas site. EPI 512-513, EPI 700, and EPI 595 may not be waived. EPI 521, HSERV 510-511 and ENVH 511 are rarely waived.
- Up to 12 applicable UW Graduate Non-Matriculated (GNM) course credits graded 3.0 or above may count toward the degree. No courses completed as a regular (non-GNM) Non-Matriculated student may count toward the degree, although students will not have to retake such courses if they earned a 3.0 grade or higher.

Footnotes

¹ **These courses do NOT count toward a degree in Epidemiology:** Any courses below the 500 level; EPI 500, EPI 511; HUBIO 530; BIOST 502-503, BIOST 508, BIOST 517-18 *when taken in addition to* BIOST 511-13; undergraduate research or internship; courses taken to complete a degree program at another department/university; courses for which waivers were granted; and courses unrelated to health.

² BIOST 517-518 cover material at a faster pace than the 3-course sequence BIOST 511-513. BIOST 517-518 are recommended for students with some prior background in statistics and R, or who learn mathematic/computer concepts quickly. More detailed discussion of the differences between these course sequences can be found on the [Biostats website](#).

³ Approved EPI Electives can be found in the Epi Course Planning Sheet on the [Epi Courses](#) webpage.
